We are the first glimpse of God for those who don't believe. May we be a light to that one. We've also been given a verse to memorize each month. This month is Psalm 96:3-4

Pray and Go

This year our theme has been "Just One!" What kind of an impact could we make if each one could just reach one?! Pray that God puts that one person in your path. Pray that God would open the heart of that one person to hear God's calling.

A command God gave his disciples. He also gave that command to each of us. Make sure to pick up a route map and door hangers. Use the route map to pray for the people in our

community. Afterwards, hang the door hanger to let each home know you prayed for them. You never know who will run into or the impact you will have.

Christianity Explored is a relaxed and informal way of sharing the best news you can ever hear, and gives people space and time to think about the big questions of life.

What's each session about?

Over seven sessions, guests will read Mark's Gospel to find out more about the life of the person at the heart of the Christian faith – Jesus Christ.

The structure of each session is simple: a short Bible study, a talk (you can give your own using our talk outlines or use our films) and a discussion based on the talk.

Looking Ahead

**A Willing Church
A Waiting World**

Round Robin Missions Conference
October 20-23

Our Mission's Conference will meet at 6:30p.m. Sunday, October 20th-Wednesday, October 23rd. Each night we will be hosting a different missionary. We will take an offering each night. We will pool our offering with those of the participating churches and present the the missionaries with a check at the closing rally at Sartell on the 23rd. Come each night and hear what God is doing in different areas of the world. You will leave blessed.

The Authentic Manhood Study begins Tuesday, November 5, at 7:00 p.m. and will meet every other Tuesday.

Authentic Manhood is all about setting men up to live lives of truth, passion and purpose. Our resources offer clear and practical Biblical insights on God's design for manhood that are both refreshing and inspiring. We point men to a gospel-centered vision of life that sets them up to enjoy God's grace as they pursue the promises of His Word. He will find himself building a vision for Authentic Manhood in his own life that is built on the gospel of Jesus Christ and was modeled by Him in His 33 years on earth.

This month we'll focus on marriage.

Where is your marriage? Newly Married, in a rut, Coming off a major transition, or coming out of a period of crisis or conflict? Regardless of your situation it's never too early-or too late, for that matter-to build habits is inevitable, but intentionally can make it beneficial. Counselor and pastor Brad Hambrick encourages couples at all stages to intentionally adopt five core practices to help foster healthy, God-honoring rhythms of communication and care. Learning how to steward time, money, and community, practicing healthy self-care, avoiding criticism and defensiveness, seeking to know your spouse deeply, and expressing gratitude for the opportunity to grow are just some of the wisdom gifts from God that will help deepen your relationship and also call you into a deeper walk with Jesus.

RENEWING MARITAL INTIMACY- You started out telling each other everything. Time flew by when you were together. It all seemed so easy then. But now it seems like there's nothing to say. The inti-macy and trust you once enjoyed are gone--replaced by bickering, long silences, and hurried conversations about your schedule. But it isn't too late to renew intimacy in your marriage. David Powlison takes a close look at those things that destroy intimacy in marriage and shows how renewing your marriage begins with a renewed relationship with God. Then he offers practical steps to achieving closeness in your marriage, including three questions to ask each other every day. This description may be from another edition of this product.
